Dear MaineCare Member,

Please read about an **important change** that may affect you or a member of your family.

Elimination of MaineCare Benefit Manual (MCBM), Ch. II, Section 97, (Private Non Medical Institution Services) PNMI, Appendix D (Child Care Facilities), Model 3 (Intensive Mental Health Services for Infants and/or Toddlers)

On July 1, 2013, through Rulemaking, the Department will no longer cover MCBM, Ch. II, Section 97, Appendix D, Model 3 (Intensive Mental Health Services for Infants and/or Toddlers). Eligible children will continue to receive medically necessary services through other MaineCare providers. Your child's case manager can assist you in finding the right provider to meet your child's needs.

There will be no reductions in MaineCare services to children who are MaineCare members as a result of this Rulemaking; comparable medical services are available under the MCBM, Section 28 (Rehabilitative and Community Support Services for Children with Cognitive Impairments and Functional Limitations), and also Section 65 (Behavioral Health Services).

If you have questions about any of the changes mentioned in this letter, please contact MaineCare Member Services at 1-800-977-6740 (TTY: 711).

Sincerely,

Stefanie Nadeau, Director
Office of MaineCare Services
